

Car Line Fall 2016

As we strive to maintain a safe and efficient pick up process for our students, we have made some slight adjustments regarding car line. Thank you for taking a moment to read this through.

Elementary Parents: Car line starts at 3:15pm. Beginning Monday, September 19th, we are moving car line away from the main building. The front of car line will now be closer to the Marrone classroom courtyard area - from the parking lot entrance, you will stop just past the courtyard gate. There will be new signs to help direct you, and we will be out there to guide you as we transition. We will bring your children from either the main building benches or the grassy area in front of Dutra House.

Moving car line away from the front of the main school building will ensure parking space for Primary parents who need to park and come in to pick up their children. This will also allow for cars to safely back out of spaces, and for more visibility of parents and children who may be walking across the parking lot to their cars.

If you enter our parking lot for pick up and plan to be in car line, please keep your car to the right side as you drive in. This will allow cars to pass you on the left should they need to enter, drive through, or park.

Remember, on Thursdays there is no car line.

Primary Parents: Primary pick up is 3:00pm. If you are a Primary parent that also has an Elementary child, park in a parking space and PLEASE do not park in the car line. This blocks the car line and keeps it from running smoothly.

Thank you for your help to ensure a smooth and safe pick up process for all children. Please feel free to let me know if you have any questions or concerns.

Thank you!
Richelle
