

Dear Parents,

We are excited to begin offering Pizza Day at Woodland Montessori as of December 13. Served on Wednesday of each week, with the exception of holiday childcare, you will be able to order cheese pizza by the slice for your child at \$1.50 per slice. The pizza will be prepared by Pizza Guys and delivered to the school in time for your child's lunchtime. Please feel free to send additional sides for your child to enjoy with his/her pizza.

You can order pizza through our online system [here](#).

Here is important information to ensure your order gets to the office in plenty of time to be fulfilled!:

- **Orders must be placed by Thursday of the previous week that you are ordering for.** For example: If you want your child to have pizza on Wednesday, December 13, place your order no later than Thursday, December 7. You can also order for the full month if you'd like.
- After placing your order and paying, you should receive a confirmation email from 'hotlunchmailer'. If you do not receive an email, this means you may not have fully completed the ordering process. Please check your spam box, too, as this email may go to spam.

If orders are not placed by the week-ahead deadline, your child will need to bring lunch to school the following week. We apologize that last minute orders cannot be accommodated.

Please be sure to contact, Celeste or Michelle, at 530 662-1900 x 4, if you have any questions or need assistance.

Thank you!
